

## De Anza College Cancelled Sections, Winter 2021

In winter 2021 quarter, De Anza College cancelled 109 sections due to low enrollments. Of these sections, 94 had at least one enrollment and the remaining 15 had no enrollment. A total of 502 students (unduplicated headcount) were dropped. These students were tracked to census (01.19.21) and 452 (90%) remained enrolled, for a loss of 50 students. Of those who were dropped, 151 (30%) re-enrolled in the same course but in a different section.

**Table 1. Section Cancellation by Date**

Cancellation Date	Cancelled Sections	Cancelled Headcount	Cancelled Enrollment	Cancelled FTEF
12.14.20	4	10	10	0.50
12.15.20	39	205	211	4.77
12.16.20	14	77	78	2.02
12.18.20	27	181	182	3.37
12.19.20	10	36	36	1.05
<b>Total</b>	<b>94</b>	<b>509</b>	<b>517</b>	<b>11.71</b>
	Post Cancellation Headcount	% Post Cancellation Headcount		
Enrolled by census in other courses	452	89%		
Enrolled by census in same course as dropped	151	30%		

Note: The unduplicated headcount of those dropped from low-enrolled sections is 502. The table provides headcount by cancellation date; and therefore, will reflect duplicated students as some students were dropped from more than one cancelled section. Cancellation dates reflect the date when the cancellation occurred in the Banner system.

**Methodology:** This report reflect cancellations from low-enrolled sections. Other sections were cancelled due to reasons such as new time/day or no instructor to teach the section, but are not included in this report. Data was retrieved from Student.Course.Reg.Audit (ODS data set), selecting only the course reference numbers from low-enrolled sections. Students who were dropped from the low-enrolled sections were tracked to census enrollment by obtaining their very first and last registration dates/codes for each enrolled section. The last registration dates/codes that indicated students are still registered by census were used in this report. The same methodology was applied to students re-enrolling in the same course.

All cancelled sections by date and the enrollment and load when cancelled are displayed below.
